PROFILE

Prior to qualifying as a Stunt Coordinator in 1985, Zev had already spent 10 years establishing a strong skills base working extensively in film, television and live shows. Today he presents himself as one of Australia's top Stunt Coordinators; his reputation for professionalism from pre-production through to on set stunt co-ordination and performance being second to none. Zev's experience as both a Stunt Performer and Stunt Coordinator covers a diverse range of stunt work including: fight sequences (including contemporary, boxing, historical and martial arts), wire work, car and heavy vehicle stunts and crashes, motorcycle stunts, fire stunts, high falls, stair falls, horse action sequences, boats & water stunts. The regularity with which his name appears on some of our best-loved productions is a testament to the high regard with which he is held by his peers in the film and television industry. Credits include: Wolf Creek 2, The Water Diviner, Where the Wild Things Are, Animal Kingdom (Sundance 2010 World Cinema Jury Prize Winner), Balibo, John Doe, Rogue, Romulus My Father, Macbeth, The Book of Revelation, Ned Kelly, Chopper, The Bank, Little Oberon, My Brother Jack, Underbelly, City Homicide, Conspiracy 365, Blue Heelers, On the Beach, Halifax FP, Noah's Ark.
