

ADAM DAVIS

STUNT ACTION PERSON (CAT 1)
CIRCUS, ACROBATICS, CHINESE POLE, GYMNASTICS

PROFILE

Adam has recently finished a two year contract with Cirque Du Soleil performing poles and trampoline in Tokyo's resident show "Zed". In 2005 Adam graduated from NICA with a Bachelor of Circus Arts. In the two years between his work for Cirque Du Soleil and finishing his degree, Adam performed around Australia for organisations that included Team Loko, Lexus, Sony, L'Oreal Fashion, Optus, Buena Vista and Pacific Brands Fashion. In this time Adam was also the co-owner of a flying trapeze company High Flying Circus Arts that taught flying trapeze to the Melbourne public. At NICA, Adam trained in the arts of Chinese Poles, Flying Trapeze, Adagio, Banquin, Acrobatics and Juggling. He first became an international performer prior to his attendance at NICA at the Singapore Arts Festive in 2002 performing Capoeira with Grupo Capoeira Brazil. It was Capoeira that inspired Adam to pursue a career in physical arts. Adam has added professional stuntman to his repertoire, having trained with various stunt actors and stunt coordinators over the past few years, and achieved his SAP grading in late 2013.
