**STUNT ACTOR**  
**GYMNASTICS PRECISION DRIVER**

## PROFILE

Since 1986, at the age of 3 years, Adrian started what was to be a long and successful gymnastics career. Competing nationally for the first time at the age of 11 and Internationally from the age of 19, his dedication and commitment took him around Australia and the world. Coming to the end of his career in 2009, Adrian wanted to continue to utilise his body control skills and experience another way, therefore exploring the world of stunts.

Adrian also has a competitive background in cricket and Australian Rules Football, adding to his athleticism and enthusiasm in physical activity.

Since his grading in 2012, Adrian has taken up boxing, stunt driver training, superbike school and is continuously working on all techniques used in stunts to become the best he can be. With his open mind, array of skills and willingness to work hard, Adrian is a very valuable asset on set.
