PROFILE

Kent Clifton Bligh's career in Search & Rescue with the Victorian Police has seen him indirectly involved with the film and television industry since the 1980s, Kent finally decided to combine these skills when he first qualified as a SAP back in 2001. Holder of innumerable certificates, licenses & qualifications, (including Commercial Diver/Trainer, Historic Shipwreck Inspector, Ski Instructor, Rock Climber & Dive Medical Technician), Kent has gone on to commit himself 100% to improving his abilities as a stunt performer working on stunt specific skills in the areas of fire, motorbikes, cars and rigging. This range of skills and qualifications, combined with his passion for acquiring new skills have seen him involved in a steadily increasing variety of productions. His expertise, particularly in relation to water, has already benefited many film and television productions, with Kent working in varying capacities from marine co-coordinator to safety diver & instructor, boat operator and even facilitator between the boating industry and our own. His credits include: Rogue (F), Ghost Rider (F – US), Ned Kelly (F), The Visitors (F), Nightmares & Dreamscapes (TV – US), The Lost Treasure of Fiji (TV), Scooter Secret Agent (TV), My Brother Jack (TV), Pirate Islands (TV), Blue Heelers (TV), TAC – "Slo Mo" (TVC).
