## PROFILE

Sharelle has been a stunt performer for 12 years, starting her career in Queensland and moving to Melbourne early 2012.

Sharelle was an elite gymnast as a child, and throughout her school years was involved in performing arts – dancing, singing, acting and performing music. Growing up in Cairns made her tough ... climbing trees, jumping off things and wrestling with her brother. Once she discovered that stunt performing was a profession, she decided that with her skill base, that was the profession for her! Sharelle loves being in front of the camera ... there is no better feeling in the world for her than when she hears the word "action!"
